## MAPAL Trainees Gift Moments of Happiness

Gifting the seriously ill with beautiful memories: A trip on the HappyExpress to a desired location or to a special event makes it possible. Because the vehicle of the German Red Cross Aalen district association is specially equipped for this purpose. The more than 100 apprentices at MAPAL support this fantastic organisation and donate 580 euros. The image shows the members of JAV, Youth and Trainee Representation, from MAPAL handing over the cheque to Red Cross leader Klaus-Dieter Sterzik, 3rd from right, from the German Red Cross Aalen district association.
