Peter Tausend Becomes Head of the Executive Board for the VDMA Clamping Tool Division

Portrait of Peter Tausend, Managing Director of the Mapal Chuck Centre of Competence, becomes the Head of the Executive Board of the VDMA's Clamping Tools Department in the field of precision tools. The election, which takes place every four years, took place at the board meeting of the VDMA precision tools at Tegernsee. Peter Tausend has been active in the VDMA for 15 years, for 13 years as Deputy Chairman of the Clamping Tools Department. By accepting the office of Chairman, Tausend succeeds Hans-Joachim Molka, who was no longer available for the position. Philipp Ehrhardt from Römheld GmbH has become the new Deputy Chairman of the Clamping Tools Department.
