Delegation from Mosambik at MAPAL

William Tunzine, Mayor of Vilankulo, used his stay in Aalen to visit MAPAL. Four representatives from Vilankulo, Honorary Consul General of the Republic of Mozambique Siegfried Lingel and Daniela Dorrer, Coordinator for Local Development Policy of the City of Aalen, accompanied Tunzine. MAPAL is involved in the friendly relations between the two cities and is committed to training young people. After having a conversation with Dr Jochen Kress, President of the MAPAL Group, the visitors learned more about the company. In addition to the research and development area, the training centre was of particular interest to the delegation. MAPAL is planning to implement a further training project in Vilankulo. After various IT training courses, this time the focus will be on professions in the metalworking sector.
